APPLY ONLY TO THE
STORES IN COUNTRYInfluenza Situation in City and County
Shows Decided Improvement But
Country Stores Must Close at
Six Each Evening.

Reports reaching the office of County Health Officer J. S. Locke yesterday and today from physicians in all parts of the county and city indicate that the influenza situation is clearing considerably. Only 20 cases of the disease in the city were reported for Tuesday while the number of cases for today show a decided decline according to reports so far reaching the Health Board's office.

Several seemed to misunderstand the order received by Dr. Locke from Dr. McCormick, of the State Board of Health Tuesday when all country stores were ordered to close their places of business at 6 o'clock each evening and prevent the congregation of men during the day time. Some were of the opinion this order applied to stores in the city of Maysville but such was not the case. The Ledger's statement in regard to this matter was correct. Dr. Locke was called over the phone today by many local business men who were of the opinion that the order included the city of Maysville but they were all assured that the order was only to affect country stores where it is the custom for many men to gather each evening about the stove and discuss the matters of the day.

Dr. Locke and the Health officials are very much encouraged over the condition in Maysville yesterday and today and the physicians give it as their opinion that the disease has now reached its climax and has started a steady decline.

SELLS C. F. LOYD FARM

Sherman Arn, local real estate man has sold the C. F. Loyd farm of 153 acres located near Minerva to Mrs. Kate Conway, of Cynthiana. This is the farm recently purchased by Mr. Loyd from J. C. and E. L. Cablish. Mrs. Conway expects to move to the farm about March first. This makes the second time this agent has sold this farm this season.

Councilman George Dodson was able to be out this afternoon after being housed for several days with influenza.

"GOD'S LOVE FOR THE PRODIGAL" IS SUBJECT TONIGHT

Attendance at Third Street Church
Revival is Growing Daily—Strong
Sermons are Being Preached.

The attendance at the Third Street M. E. Church's special evangelistic services last evening was very gratifying, there being about double the attendance of Monday evening. With such fine weather the church should be full each evening. Of course the health situation keeps many away, but there are many, many well folks that need the inspiration and help that these meetings can give them. Rev. Peters is preaching a strong series of sermons. Every one a gem. You will enjoy every sermon. They are brief and right to the point.

Much time is given to singing the beautiful songs in the new song book. With the leadership of the big chorus it is a pleasure to sing. The congregation soon falls in line and joins heartily in the songs. Prof. Young's solo was greatly enjoyed. He will be heard again during the meetings. This evening Mrs. Dodds will be the soloist. There will also be another big chorus number.

The preacher will tell you about "God's Love For the Prodigal." That there are still prodigals no one will dispute. And that God loves the prodigal inasmuch that he gave His Son to save them is the best news this old world ever received. Hear this sermon this evening.

ATTENDING BIG CONFERENCE

Rev. W. H. Morris, pastor of the Forest Avenue M. E. Church, left today for Columbus, to attend the World Program Convention of the Cincinnati area of the Methodist Centenary. This will be one of the greatest conventions of Methodists ever held within this area, bringing together the pastors and leading men of three thousand churches to consider plans for the Centenary work. The Centenary movement is the greatest of its kind ever undertaken by a Protestant church, its object being the intensifying the life of the church in every direction to meet the vital world problems of the hour.

Mr. John D. Wood, of Cincinnati, is spending a few days with relatives here. Mr. Wood's many friends will be glad to know that he is meeting with much success in Cincinnati where he now has a splendid position with the American Express Company.

PROF. ADAMS GIVES
ATTITUDE ON STATE
TEXTBOOK QUESTIONMason County Member of State Text-
Book Commission in Interview on
Adopting Books For Ken-
tucky Schools.

Mr. John Hurst Adams, Superintendent of the Consolidated Schools at Minerva, Mason county, has given out the following interview in regard to his attitude in the matter of adopting text-books for the schools of Kentucky. Mr. Adams was recently appointed a member of the Kentucky State Text-Book Commission, as the member from the Sixth Appellate District. The Commission meets on February 11 to make adoption of school books for the next five years.

"I am fully conscious of the grave responsibility that attaches to membership on the Commission that is charged with the adoption of the books for all of the public schools of Kentucky. I am anxious, therefore, to truly serve the schools of Kentucky in discharging my duties. My appointment came to me unlooked for and unexpected, and so, I feel under obligation to no one, except to the school children, the teachers and the parents of the State, whose interests I am under oath to serve.

"It has been charged in times past, and I must confess, with some degree of reason for the accusation, that former Text-Book Commissions have shown partiality to friends in the publishing business in making the selection of books for the public schools. To me it seems one position in which friendship cannot have a part. In casting my vote as a member of the Commission, I shall have in mind only the interests of the students who must study the books, the teachers who must teach them and the parents who must pay for them.

"In view of the heavy burdens that have been laid upon our people during the last year in support of the war and war activities, I am of the opinion that only so few changes in school books as are absolutely necessary should be made. A few books have proved so very unsatisfactory as to warrant their being supplanted by better ones; some of the books now in use cannot be furnished by the publishers at the old prices; in the case of the Geographies and Histories, which must be entirely re-written as a result of the political changes in Europe, changes will be necessary. Each book, however, should be carefully scrutinized by the Commission before a change is decided upon.

"Briefly stated, my working platform as a member of the Text-Book Commission, shall be this: The best book for the schools of Kentucky, at the least possible cost, and with as few changes as are absolutely necessary.

"I am only one of twelve members on the Commission, and so, I cannot speak for the other members. I am impressed, however, with the high character and ability of the other gentlemen composing the Commission, and feel that I can say with assurance that they will be equally as zealous as I in discharging their trust.

"The Commission meets February 11 for the purpose of receiving bids, and making adoptions. Any communication by a teacher or other person interested in good text-books, at the least possible cost, for the schools of Kentucky, will confer a favor on me personally, and will enable me the better to represent him in the selection of the school books for our State for the next five years. If he will write me his wishes before February 11, Address me at Minerva, Ky."

FIRE AT FLEMINGSBURG

The Fleming Gazette published
Tuesday at Flemingsburg, says:

Shortly before noon today the handsome residence of W. H. Fischer near the Court House caught fire on the roof and before the flames were extinguished the entire roof had been burned away and the house drenched. The damage will probably reach \$2000 with no insurance. Most of the household effects were carried out in good shape, but were damaged some. Sparks from the furnace fell on the roof and started the fire apparently. The fire department responded promptly but the flow of water was delayed and the fire burned rapidly.

SPECULATORS REAP A HARVEST

It is understood that a number of speculators on the Maysville tobacco market made a rich haul this week when a large amount of Fleming county tobacco which they had purchased early in the season was sold over the local floor at fancy prices. It is reported that some of our local speculators are making a good big for

FINE PEN OF PURE BRED
FOWLS ARE PURCHASEDCounty Judge Purnell Purchases
Finest Pen of Chickens Ever
Brought to Maysville.

Mason county, surely is forging to the front as the home of pure bred Rhode Island Reds. This morning a most beautiful pen of reds was received by Judge Purnell and Mrs. Sam M. Hall from one of the largest and best breeders of fowls in the United States. The male bird is a son of first prize cock at Chicago Coliseum show last year. He is a splendid type bird being very rich in under color, also surface color. Splendid head, wing and tail, with a wonderful breast breeding color. The females are all birds from first prize Chicago Coliseum females. These birds also have a tray nested egg record, with 250 eggs and more per year for each female.

These birds are so mated, so as to produce, not only first class cockrels, but first-class pullets, with plenty of type and color, producing at the same time birds with blood to produce first class layers. In this pen is the combination that will produce show birds—and birds that will reproduce in color and laying qualities—such as to produce foundation stock for those interested in Reds.

Judge Purnell should be complimented for his interest in trying to further the production of fine bred poultry, for it is learned from reliable authority this pen cost the Judge and Mrs. Hall the sum of \$70 and they surely are beauties.

Be sure and visit the poultry show in February and see this pen of reds, for they are good ones.

WHERE BOND FORFEITURES GO

Affirming the Fayette Circuit Court in the case of Jerry Reagan, Chief of Police of Lexington, against H. Greenfield, &c., the Appellate Court of Kentucky yesterday held that when a bail bond is forfeited in the Police Court, when the accused is charged with a statutory offense, the money goes to the commonwealth. If the bail bond is forfeited in the Police Court when the accused is charged with the violation of an ordinance the money goes to the city.

INTEREST SHOWN IN TEACHERS'
TRAINING CLASS

There was a very good audience at the Christian church again last night at the second meeting of the teachers' training class which is being conducted through the co-operation of the Sunday School teachers in all of the local Sunday Schools. Rev. W. B. Campbell, of the First M. E. Church, South, and Dr. B. B. Bailey, of the First Baptist Church are the instructors.

MUCH TOBACCO NOW COMING BY
RIVER

A large amount of leaf tobacco is being delivered to Maysville most every day just now by boat. Tobacco is coming into the market from both up-river and down-river points. A great amount of this tobacco has passed over the floors at other markets and is purchased by speculators who bring it here for re-sale.

MAYOR ASKED TO
SANCTION EXTRAPAY
PLAN FOR SOLDIERSMayor Russell is Asked to Have Mays-
ville Put Its Official O. K. on Plan
to Pay All Soldiers in the
Great War a Year's Extra
Salary.

Mayor Thomas M. Russell today received a communication from Hon. W. B. Shafer, Jr., of Norfolk, Va., who is father of a plan to give a year's extra pay to all men in the service during the great war, asking that Maysville give its official sanction to the plan.

The plan is to put a bill through Congress whereby every man of the service, regulars, reserves, etc., shall receive 12 months' extra pay, whether they went abroad or not. Those staying in the service will receive the extra pay as well as those being discharged.

Mr. Shafer points out that "the men of the service have worked in the various camps for one dollar per day, while the civilians at their side received as much as ten and fifteen dollars per day, the civilian going home at night and the Service men standing by night and day."

Mayor Russell is urged to look into the plan and if the city official thinks it deserved putting through, he is urged to wire our congressmen. Mayor Russell has not yet acted on the matter.

COUNTY BOARD OF EDUCATION
MEETS SATURDAY

A very important meeting of the County Board of Education will be held Saturday at the office of County Superintendent Turnpseed. This meeting will be of very much importance and it is expected that every member of the board will be present. The matter of whether or not county schools now closed because of influenza should be opened again this season will come up for discussion.

BURIAL MADE AT SHANNON

The remains of Mrs. Thomas Rhodes, who died at her home in Walnut street Tuesday, were taken to Shannon this morning for burial. Short services were held at the grave by Rev. A. F. Stahl, pastor of the Maysville Christian church.

CITY PLANNING SEWERS
UNDER RAILROAD IN EAST ENDC. & O. Railroad Company Furnishes
Blue Prints For the Construction
of Badly Needed Sewers in
East End of City.

A meeting of the Internal Improvement committee of the City Council was held Tuesday night when the matter of constructing a sewer under the C. & O. railroad near the Maysville Ice Company's plant in the Fifth ward was discussed. This sewer has been contemplated for some time by council but only a few days ago did they receive the consent of the C. & O. railroad company to construct the sewer under the tracks.

With the consent of the railroad company were blue prints showing how the railroad company desired the sewer constructed so that it would not interfere with their road bed.

After considering the matter thoroughly the committee decided that another sewer should be constructed near the Amazon Tobacco Warehouse which would also have to go under the railroad track and request that this be allowed will also be made of the company. Upon receipt of the company's consent and their blue prints for the second sewer the work will be done.

Sewers have been needed along this section for many years and their construction will be a considerable improvement.

DR. WILLIAMS BURIED THIS
AFTERNOON

The funeral of Dr. G. M. Williams, who died Monday evening at his home in Third street, was held this afternoon and burial was made in the Maysville cemetery. No services were held at the home and a large number of friends went to the cemetery to pay their last respects.

Dr. B. B. Bailey, pastor of the First Baptist church, who has been ill at his home in Riverview Terrace is much improved and was able to be out for a short time yesterday. It is expected that he will be able to be at his church on next Sunday.

Mr. W. H. Arnold, of the county, was on the tobacco market Wednesday and paid this office a pleasant call renewing his subscription to the Ledger.

RUSSELL GO. RECEIVES SHIP-
MENT OF JEFFERSON FLOURFirst Shipment of Jefferson Flour
Since the Food Administration Re-
strictions Were Put Into Force
Has Just Been Received.

The M. C. Russell Company, wholesale grocers, announces that they have just received the first shipment of Jefferson flour since the large mills were closed down to making wheat flour and turned into factories for the output of war flour.

Jefferson flour has long been a leader in this market. It is the Russell Company's best brand and Colonel J. Barbour Russell says that none better can be obtained any place on the face of the globe. They have had many customers who used nothing but Jefferson when it could be obtained who have been anxious for its return to the market and who were very anxious to know when the first shipment arrived.

This first shipment has now arrived and the Russell Company's officials announce they are ready to fill the orders of those who have had Jefferson as their favorite for years.

RHODE ISLAND RED EGGS
TO BE SAVED FOR HATCHINGBreeders of Pure Breed Rhode Island
Red Chickens in Mason County
Are Urged to Save All of Their
Eggs For Distribution
in the County.

Last year Mason county became quite a Rhode Island Red county. This breed of fowls was adopted as the breed for the county and hundreds of farmers purchased pure bred eggs shipped here by the State Experiment Station. These eggs hatched well and the result is that there are many pure bred Rhode Island Red chickens in the county this year.

An appeal has been made to all who have flocks of these pure bred Rhode Reds to save the eggs and sell them to other farmers in the county who desire to stock up on this official breed during the coming summer.

The distribution of these pure bred eggs will be handled this year through the office of County Agent George Kirk and all dealers eggs this season and all who will have eggs for sale should communicate with Mr. Kirk at the Chamber of Commerce building immediately as time for distribution will soon arrive.

Suggestions to Women

"Just Ready to Drop"

When you are "just ready to drop," when you feel so weak that you can hardly drag yourself about—and because you have not slept well, you get up as tired out next morning as when you went to bed, you need help. Vinol will help you just as it did these two women. Why not try it?

HERE IS PROOF

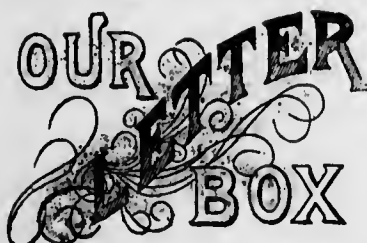

Pittsburgh, Pa. "I keep home for my husband and myself and I got into a weak, run-down, nervous condition and no appetite. I heard how Vinol helped others and tried it and it built me up so I am strong, have a good appetite and feel better in every way." — Mrs. James Crocker.

Holmdel, N.J. "I live on a farm and am a hard working woman and for week, run-down, overworked conditions have found nothing that will create an appetite, build me up and make me strong equal to Vinol. It helped several others in our neighborhood, too." — Mrs. Thomas Ellis.

For all run-down, nervous, anemic conditions, weak women, overworked men, feeble old people and delicate children, there is no remedy like Vinol.

EXTRA MONTH'S PAY FOR SOLDIERS SEEMED ASSURED

Washington, January 20 — With amendments authorizing the payment of thirty days' pay and five cents a mile travelling expenses home to discharged officers and enlisted men, the Senate today passed and sent to conference the House bill to permit soldiers to retain their uniforms. A provision for bonuses of thirty days' pay is attached to the war revenue bill, now in conference.

The Senate also passed the War Department bill authorizing resumption of enlistments in the regular army.

PREDICT HIGHER PRICE FOR FOOD

Washington, January 20—Higher food prices next year are anticipated by army officials who, in asking Congress for appropriations for food purchases, disclosed today that they had allowed for a ten per cent. increase in the year beginning next July.

"When the food administration ceases to function and all its restrictions are removed, prices will go sky high," declared Lieutenant Colonel Adams, of the Quartermaster's Corps,

before the House Military Committee hearings on the army appropriation. An army ration-food for one man for one day, now costs the government 48 cents. Colonel Adams said appropriations had been expected on a basis of 53 cents.

Mr. and Mrs. T. F. Galtner, of North Fork, have been visiting relatives in Maysville for the past few days. Mr. and Mrs. Galtner will move to Maysville to make this city their home in the next few weeks.

LET US END AS WE BEGAN

The work of the Red Cross is all a work of love. It is needed now more than ever, when the full, terrible sum of the war's cost is being estimated in deaths and wounds and suffering and maiming, in blindness and lameness and weakness of every sort. In bitter loss and need in America, and in endless canteen and hospital service over there, let us end the great war as we began it in generosity and love to the men that have spared us what England and France and Italy have endured for years. The organization of the Red Cross is perfect, there is no soldier beyond their reach, there is no crossroads village too small for them to find and help. From "The Spirit of Washington," by Kathleen Norris, in the February Red Cross Magazine.

The A. R. C. equipped the S. S. Spokane, bound for Alaska with ten nurses and several thousand dollars' worth of medicine to fight the flu in the far north.

About 400 A. R. C. canteen workers in England have their hands full getting the boys off for home.

GOOD CAUSE FOR ALARM

These Figures Will Make Maysville People Take Notice.

Deaths from kidney disease have increased 72% in twenty years. People overdo nowadays in so many ways that the constant filtering of poisoned blood weakens the kidneys. Beware of fatal Bright's disease. When back-ache or urinary ills suggest weak kidneys, use Doan's Kidney Pills, live carefully, take things easy and avoid heavy eating. Doan's Kidney Pills command confidence, for no other kidney remedy is so widely used or so generally successful. Home endorsement is the best proof of merit. Read this Maysville resident's story:

Miss Dora Edgington, Wood St., says: "I have used Doan's Kidney Pills and from the results received, I have every reason to recommend them. At times my kidneys have become weak and have been irregular in action. My back has ached, too, and has been very weak and lame across my kidneys. When I have used Doan's Kidney Pills for this trouble, they have never failed to relieve the complaint in a short time. I gladly advise anyone to get a box of Doan's Kidney Pills at Chandler's Drug Store, if troubled in that way."

Miss Edgington is only one of many Maysville people who have gratefully endorsed Doan's Kidney Pills. If your back aches—if your kidneys bother you, don't simply ask for a kidney remedy—ask distinctly for DOAN'S KIDNEY PILLS, the same that Miss Edgington had—the remedy backed by home testimony. 60c all stores. New Toll Rates

Effective

January 21st, 1919

Order No. 2495 of the Telephone and Telegraph Administration issued by the Post Master General at Washington December 13th, a new toll rate is ordered effective January 21, 1919. According to our interpretation of this order the toll rate will be classified as follows:

The day rate applies between the hour of 4:30 a. m. and 8:30 p. m. Evening rate between 8:30 p. m. and 12 midnight for station-to-station messages only, and shall be approximately 50 per cent. less than the day rate, but no night rates less than 25 cents.

The night rate between 12 midnight and 4:30 a. m. shall be approximately 75 per cent. less than the day rate, but no night rate less than 25 cents. Person-to-person messages shall be approximately 25 per cent. higher than station-to-station calls.

Calls which require service of a messenger shall take the appointment rate, plus cost of messenger fee.

A report charge of approximately 25 per cent. of the station-to-station rate will be made on all person-to-person calls, when person desired is not in or will not talk or if calling party is out when connection is completed within one hour after filing time.

LAD WHO CUT TRUANT OFFICER IS WHIPPED IN OPEN COURT

Father of Boy Consents to His Punishment in This Manner and Chief Ort Carries It Out to Perfection.

The father of Walter Perry, fourteen year old boy who several days ago cut and painfully injured City Truant Officer John Walsh when the officer was returning him to school, arrived in Maysville from Huntington Tuesday evening and took his son from the hospital ward of the county jail to his home.

This morning the father appeared in Juvenile court with his son and after hearing the story of the cutting and talking the matter over with the boy's father, Judge Purnell ordered the lad be given a sound whipping. He was at first given a good lecture full of good advice for bad boys who failed to attend school and who resisted the Truant Officer and was then turned over to Chief of Police Ort for a sound old fashioned whipping, his father having consented to this form of punishment.

Chief Ort impressed the seriousness of the boy's actions upon him in such a manner that he will not soon forget it and it is certain that the punishment young Perry received will be a good lesson to the other lads in the city who are playing truant occasionally for Juvenile Judge Purnell has put his foot down on the truants hard and expects to see that the boys of Maysville attend school regularly instead of wasting their time about the tobacco warehouses and on the streets smoking cigarettes.

RUSS QUESTION AGAIN IS BEFORE PEACE DELEGATES

Associated Powers Again Today Devote Their Attention to the Russian Situation.

Paris, January 22—Russia's international status was to be determined by the associated powers today.

For the third successive day, the Russian situation constituted principal business of the Supreme War Council.

Delegates were confident a definite agreement would be reached on some form of representation for the Soviet government at the Peace Congress.

The proposal for appointment of a special commission to obtain first-hand information on conditions in Russia was understood to have received endorsement of several members of the War Council, which now is recognized as the "Steering Committee" of the congress.

The chief argument against this plan was delay it involved—and prompt action, no matter what course it decided upon ultimately, was recognized as imperative.

Whatever plan is endorsed, it seemed certain today no radical undertaking will result—that there will neither be a combined allied effort to crush Russia militarily, nor full recognition of the Soviet government. Some compromise measure was looked for.

Other matters expected to be taken up by the "Steering Committee" today were the questions of procedure for the conference and consideration of international labor problems.

It is believed the conference will appoint a special committee to meet labor leaders of the Associated and neutral nations regarding proposed economic, industrial and social reforms.

All vital matters were likely to reach a stage permitting their discussion by the full conference before the end of the week.

Revival Services

"The Christs of God" is the subject that the Rev. Timberlake will preach from this evening. Come out this evening, bring some one with you to hear this wonderful expounder of the gospel. A good sized audience listened to him last evening preach from the subject "Preaching Jesus" it was a soul stirring sermon and was thoroughly enjoyed. The chorus will sing the beautiful melody, "Swing Low Sweet Chariot". This evening the chorus is doing excellent singing from time to time. They will render special selections to correspond with Dr. Timberlake's subjects. Prayer meeting at 7:30, the pastor, Rev. Jackson, has charge of this part of the service. Each evening preaching at 8. Let each one of our members do their bit in trying to save a soul for the Master.

WAREHOUSES FILLED WITH LARGE AMOUNT TOBACCO

All Roads Leading to Maysville Filled With Tobacco Wagons and the Ferry Boat Is Unable to Handle the Rush on the Ohio Side.

There is probably the biggest rush in the tobacco district today that the market has experienced this season. Every side street leading to tobacco warehouses is practically choked with heavily loaded wagons while all roads leading to Maysville are said to be filled with wagons on their way to market. The ferry boat between this city and Aberdeen has been busy all day delivering wagons to this side but it does not seem able to clear up the big rush on the Ohio side of the river.

Prices on the market today remained just as strong as they were at the beginning of the week and all grades bring fancy figures.

Sales were held at Peoples, Central and the Liberty and it did not appear that the Liberty floor would be cleared before Thursday morning.

The sale at the Growers which closed near dark Tuesday resulted as follows:

Growers
Pounds sold 121,000
High price \$30.00
Low price 12.00
Average 36.14

Special crops: Wood & James, \$46.49; Rieg & Ford, \$49.33; C. E. Galbreath & Washington, high basket \$80, \$57.09; Miss Beynco Montgomery, \$49.80; Haughaboe & Cilaeger, \$47.33; L. C. Ricketts & Coffee, \$71.64; Elmer Mason, \$60.00; Will Rains, \$51.91; Harry Rhins, \$50.47; J. D. Myers, \$46.07; J. H. Bythe, \$45.55.

Carlisle, Ky., January 21—Carlisle tobacco sales today reported are: Farmers' House, 251,480 lbs., average \$40.99; People's House, 284,260 lbs., ranging from \$10 to \$39. Red top much stronger with colory tobacco steady.

Williamstown, Ky., January 21—Tobacco sales were the best of the season on the market today. An average of \$33.15 was made on 76,735 lbs. of tobacco composed of very ordinary quality. The prices ranged from \$12 for green suckers to \$70 for good leaf.

Mt. Sterling, Ky., January 21—The tobacco market today was much higher on low grades and medium tobaccos, with finer grades a shade lower, making the market uniform and bringing better averages to the grower. Prices were from \$15 to \$30, with high-crop averages of \$70.09, the season's record.

Frankfort, Ky., January 21—The Frankfort tobacco markets sold 176,090 lbs. of tobacco today that averaged \$34.35. Prices ranged from \$12 to \$81; grade prices unchanged.

Hopkinsville, Ky., January 21—Dark tobacco is pouring into town from every road. The wagons are crowding the streets, and the indications are that a new record for deliveries will be made before the week ends. Today's sales of 500,000 lbs. were the heaviest of the season, and prices continue altitudinous. The poorest trash brought \$11 and leaf went to \$32 per 100 lbs. The buyers showed a readiness to bid for everything offered.

FIRST SECTION OF KENTUCKY TROOPS HERE

113th Sanitary Train of 38th Division Arrives in New York Harbor on Transport DeKalb.

New York, January 22—The vanguard of "Kentucky's own" division, the 38th, which comprises Kentucky, Indiana and West Virginia national guard troops, and was formerly under the command of Brigadier General Roger Williams, of Lexington, Ky., arrived here Tuesday morning when the transport DeKalb docked with 621 troops of the 113th Sanitary Train. The wounded and ill on the DeKalb number 405. The organization was at Lemaans, France, when the armistice was signed.

The transport George Washington also arrived from France with 3,114 officers and men. The troops included the headquarters personnel of the 83rd division and of the 165th brigade of infantry of the 83rd; the 308th supply train of the 83rd, and detachments of other units. These men are mostly from Ohio and Western Pennsylvania and were at Lemaans, France, shortly after the armistice was signed.

The soldiers on the George Washington include 944 wounded and sick of the Army and Navy Marine Corps, 112 of these being litter cases.

On the Italian steamship Giuseppe Verdi, in from Genoa were 498 officers and men of the American naval aviation service.

HART COUNTY OFFICIALS VISIT MASON COUNTY

Delegation of Educators and Agricultural Leaders From Hart County, Spend Day in Looking Over Mason County.

A delegation of Hart county, Kentucky, educators headed by the County Agent of that county, are spending today in Maysville and Mason county on their way back to their home after a visit to Illinois.

While in Maysville and Mason county the delegation is being entertained by County Agent George Kirk who this afternoon took the gentlemen in his automobile for a ride through a portion of Mason county to show them what a fine agricultural county Mason is and to show them some of the kind of tobacco we grow. As is his hobby, Mr. Kirk did not fail to show the visitors the high class cattle we raise in Mason county.

The gentlemen were also taken to visit the county schools and they displayed much interest in the first-class consolidated high schools which now dot most every section of Mason county.

The party was composed of Prof. R. E. Jagers, County Superintendent of Schools of Hart county, Prof. M. J. Hardwick, principal of the Hardyville High School, Messrs. T. J. Cartmill and L. S. Doyle, members of the Board of Education and Mr. J. S. Pullman, county agent of Hart county.

WIFE SAYS SHE HAD TO FLEE FOR LIFE FROM HUSBAND

Wife Who Claims That Husband Badly Used and Beat Her Asks For Divorce and Alimony in Petition Filed Today.

In the Mason Circuit Court here today Mrs. Sarah Lee filed suit for a divorce from her husband, Frank Lee. In her petition she states that they were married to one another at Maysville, Ky., in the year 1911 and they each now reside in and have continuously resided in Mason county.

For a cause of action she states that she and the defendant live together as man and wife from the time of their marriage until in the month of November 1918, when by reason of the culmination of his cruelties and beatings, injuries and attempts at injury, she was obliged to flee for her life, leaving him and looking after her own welfare as best she could.

To the union there were born three children, the two oldest of whom are making their home with the husband's parents. She asks for the custody of the youngest child and for alimony at the rate of ten dollars a month. She also asks to be restored to her maiden name, Sarah Humphreys.

SCHOOL TEACHERS QUALIFY IN AGRICULTURE

Frankfort, Ky., January 22—School teachers throughout the State must pass an examination on agriculture if they desire to teach after July 1, 1919. This examination is required under an act passed by the last session of the General Assembly. In order to familiarize the teachers with the subject of agriculture, Superintendent of Public Instruction Gilbert has made arrangements with the Department of Agriculture of the University of Kentucky to furnish bulletins for teachers, containing about 200 questions on agriculture. These bulletins will form the basis upon which the examination in agriculture will be given.
